Name:	Recessed Mounted Magnetic ¾" Door Contact
Acenes Part:	RC-075
Name Memory Aid:	Round Contact 0.75"
Wires:	2 Wires
Wire Color:	White or Black
Include 1K/1K:	No
Loop Type:	Closed circuit (in the presence of magnet) / Open circuit
Number of devices per package:	10
Certification:	ISO, RoHS, CE
Specifications:	UL, CE, RoHS

Description:

	Part Number: RC-075	Part Number: RC-075-1K1K
Loop Type	Closed	Closed
Reed Form	N/O	N/O
Contact Color	White or Black	Blue
Closed Gap (in steel door) [Inch(mm)]	¾(19)	¾(19)
Departure Gap (in steel door) [Inch(mm)]	0.95(24)	0.95(24)
Maximum Initial Contact Resistance (Ohm)	0.150	0.150
Maximum Contact Rating (W)	7.5	7.5
Maximum Switching Voltage (VDC/VAC)	100	100
Maximum Switching Current (A)	0.4	0.4

Features:

- Diameter: ¾", press to fit
- Suitable for steel door installation
- Self-locking
- Longer leads available
- Standard 18" 22AWG leads
- Switch or magnet available separately
- 2-conductor jacket cable upon request
- Colors: white (Custom colors available)
